Nightlife is all about seeing and being seen, it's all about bartenders dressed as trannies and flamboyantly manly gay boys. It's about standing and being arrogantly bored by the show, it's about dancing or moshing in cramped spaces with sweat dripping from the walls, it's about discarding your clothes exhibitionally or functionally.

"My name's Gaska Dalve, which means "middle of winter", that's January-February."

Gaska is a girl that, like so many others, decided to explain her sex life on the web, more precisely through a

concept of eroticism through the Internet. They are often very young girls for which the web offers a kind of mirror, in which to look at their own nudity-sexuality and let it be seen. Gaska is one of

blog. Throughout 2007 this blog was incredibly and surprisingly successful. Gaska describes her encounters in full and lurid detail, but that's not all, she also dwells on sexuality in general, as a kind of self-voyeur, analysing the dynamics of the sexuality of young people today. This work did not go unnoticed, in a short time PRIVATE took an interest in it. In effect, concepts of sexuality and desire have evolved significantly over recent years and there is no doubt that a new generation of girls is revolutionising the

their most interesting representatives. So it was only natural that PRIVATE should decide to get her involved in one of their projects. The decision was immediately made that this should be in collaboration with PRIVATE's new director X-off, who has brought a breath of fresh air to our adult productions. At first the idea was to involve Gaska in writing the screenplays, but pretty soon her beauty and eroticism, along with her potential for craziness, led X-off to propose that she take the starring role. Evidently

Gaska is not an actress, either porno or classical, and this meant that it was necessary to reconsider the whole project from another point of view. I.e. not to adapt a story based on Gaska's adventures but instead to tell the story of Gaska's own involvement in the production of a porno movie for PRIVATE. A movie featuring extreme sex but also one that includes normal moments of everyday life, moments shared with today's most interesting porno actresses: Boroka Bolls, Regina Ice, Lucy Bell, Black Angelica, etc.

what is a blog if not a reflection of actual events? So the movie had to be a diary, shot in video, and covering the crazy days of the production of Mysexspace. It was really difficult to keep a tight rein on tearaway chicks, given that for this movie X-off had decided there would be no "action" or "cut" instructions, i.e., like a reality show, with the cameras just left running all the time, and just about everything going on. More than ever, in this movie, we can say that: "Reality was stranger than fiction!"

"Ich heiße Gaska Dalve, was so viel bedeutet wie "halber Winter", d.h., Januar bis Februar."

Gaska ist eines derjenigen

Mädchen, das - genauso wie es viele andere getan haben - sich dazu entschlossen hat, ihr Sexleben im Internet zu schildern, und zwar in einem Blog, um genauer zu sein. Im vergangenen Jahr 2007 verzeichnete dieser Blog einen unglaublichen und überraschenden Erfolg. Gaska schildert ihre Dates bis ins Kleinste Detail, aber darüber hinaus redet sie auch über Sexualität im Allgemeinen, wie eine Art auf die eigene Person bezogener Voyeur, und analysiert die Sexdynamik der heutigen Jugend. Diese Arbeit ist nicht unbemerkt geblieben und weckte schon bald das Interesse

von PRIVATE. De facto hat sich in den letzten Jahren eine Veränderung hinsichtlich der die Sexualität und das Verlangen betreffenden Konzepte abgezeichnet, und man kann wohl mit größter Sicherheit behaupten, dass sich bei einer neuen Generation junger Mädchen dank Internet die Vorstellungen über Erotik grundlegend verändert haben. Es handelt sich meistens um sehr junge Mädchen, denen im Internet eine Art Spiegel vorgehalten wird, in dem sie sich anschauen und ihre eigene Nacktheit/Sexualität darstellen können. Gaska ist eine der interessantesten Figuren unter ihnen. Somit war es also etwas ganz Normales, dass PRIVATE sie für eine Produktion aussuchte. Es wurde unverzüglich entschieden, sie mit X-off, einem neuen

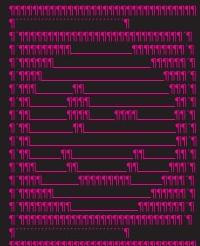

Regisseur von PRIVATE, zusammenarbeiten zu lassen, von dem ein frischer Wind in die Produktionen der Erwachsenenunterhaltung gebracht worden ist. Am Anfang hatte man daran gedacht, Gaska in das Schreiben von Drehbüchern zu involvieren, aber es dauerte nicht sehr lange, bis ihr von X-off auf Grund ihrer Schönheit und der von ihr ausgehenden Erotik als auch ihrer potenziellen Verrücktheit die Hauptrolle angeboten wurde. Selbstverständlich ist Gaska keine Schauspielerin, weder für Pornofilme noch für das klassische Filmgeschäft, und somit wurde es erforderlich, das gesamte Projekt unter einem neuen Gesichtspunkt zu betrachten. Das soll heißen, man wollte nicht

zusammen mit den derzeit interessantesten Pornodarstellerinnen gemeinsam erlebt wurden: Boroka Bolls, Regina Ice, Lucy Bell, Black Angelica etc.

Eine Art Dokumentarfilm, Tagebuch, denn ist ein Blog etwa etwas mehr als ein Spiegel der im wirklichen Leben erfahrenen Dinge? Deshalb musste der Film ein auf Video festgehaltenes Tagebuch über diese verrückten Produktionstage von Mysexspace sein. Es war schwierig, diese außer Rand und Band geratenen Mädchen im Zaume zu halten, zumal X-off sich dafür entschieden hatten, dass es bei diesen Dreharbeiten kein "Action" oder "Schnitt" zu hören gibt, ebenso wie in einer Realityshow liefern

eine Geschichte über die Abenteuer von Gaska erzählen, sondern in die Aufnahmen Realität einfließen lassen. Es wurde beschlossen, zu zeigen, wie Gaska dazu kam, bei der Produktion eines Pornofilms für PRIVATE mitzumachen. Es sollte ein Film werden, in dem Szenen mit einem extremen Sex aber auch ganz normale Momente aus dem Alltagsleben zu sehen waren. Momente die

die Kamerás ohne Unterbrechung. Und es passierte wirklich alles, was man sich nur vorstellen kann. Überzeugter denn je kann man hier sagen, dass die Fiktion von der Wirklichkeit noch übertroffen wird!

ou, autrement dit, par Janvier-Février. »

Gaska est une fille qui, comme beaucoup d'autres, a décidé de raconter sa vie sexuelle sur Internet et plus exactement à travers un blog. Tout au long de l'année 2007, ce blog a rencontré un succès aussi immense que surprenant. Gaska décrit en détails ses rencontres, mais ne s'arrête pas là : elle parle de la sexualité en général, telle une sorte d'« auto-voyeuse », analysant les dynamiques secrètes de la sexualité actuelle chez les jeunes. Son œuvre n'est pas passé inaperçue et très rapidement PRIVATE s'y est intéressé. Effectivement, les concepts de sexualité et de désir ont bien changés lors de ces dernières années et c'est en toute sécurité qu'on peut aujourd'hui affirmer que toute une nouvelle génération de jeunes femmes est en train de révolutionner l'idée d'érotisme grâce à internet. La plupart du temps, ce sont des filles assez jeunes à qui Internet offre une espèce de miroir, dans lequel elles peuvent autant voir que montrer leurs corps et leur sexualité. Gaska est donc l'une des représentantes les plus intéressantes de ce phénomène. Il était donc presque

normal que PRIVATE décide de l'inviter dans l'une de ses productions. Et c'est plus rapidement encore qu'elle accepta de travailler aux côtés de X-off, un des nouveaux artisans de PRIVATE, qui a su récemment apporter une bouffée d'air frais au hard. Si dans un premier temps, le réalisateur envisageait d'impliquer Gaska lors de la rédaction des scénarios, le grain de folie, la beauté et l'érotisme émanant de cette jeune fille convainquirent vite X-off de lui proposer le haut de l'affiche. Evidemment, Gaska n'est pas actrice hard, ni actrice tout court d'ailleurs, et il a donc fallu reconstruire le projet, le voir sous un autre point de vue. En d'autres termes, il s'agissait moins d'adapter à l'écran les aventures de Gaska que de mélanger la réalité à la fiction, de trouver le moyen d'impliquer Gaska à la production d'un film X pour PRIVATE. Un film qui se déclinerait des scènes hard et des extraits de vie, des moments du quotidien partagés avec les actrices porno les plus sollicitées : Boroka Bolls, Regina Ice, Lucy Bell, Black Angelica, etc.

Une sorte de documentaire donc, un journal intime, parce que finalement, qu'est-ce qu'un blog, sinon un miroir de la vie ? Le film s'apparente donc à un jour sous forme de vidéos, un mémoire des jours fous du tournage de Mysexspace. Il n'a pas été de tout repos de tenir ces filles débridées à distance dans la mesure où X-off avait décidé de ne jamais prononcer les « action » ou « coupez » lors des prises de vue. Un tournage comme un « reality », caméras aux aguets, tout pouvait donc arriver... Le film grâce auquel on pourra désormais dire que la réalité dépasse la fiction !

"Mi nombre es Gaska Dalve, que quiere decir "medio invierno", es decir, enero-febrero."  
Gaska es una chica que, como tan-

tas otras, ha decidido explicar su vida sexual en la red, más exactamente en un blog. A lo largo de 2007 este blog ha tenido un éxito increíble y sorprendente. Gaska describe con todo detalle sus encuentros, pero no sólo eso: habla de la sexualidad en general, como una especie de auto-voyeur, analizando las dinámicas de la

sexualidad juvenil actual. Este trabajo no ha pasado desapercibido y al poco tiempo PRIVATE se ha interesado en ello. Efectivamente, los conceptos de sexualidad y de deseo han evolucionado mucho en estos últimos años y con toda seguridad se puede afirmar que una

implicarla en una producción. Se ha decidido de inmediato hacerla colaborar con X-Off, un nuevo director de PRIVATE, que ha traído aire fresco a las producciones para adultos. En un principio se pensó involucrar a Gaska en la redacción de los guiones, pero muy

nueva generación de chicas está revolucionando el concepto de erotismo gracias a internet. Son a menudo chicas muy jóvenes a las que la red ofrece una especie de espejo, en el que mirar y dejar ver la propia desnudez-sexualidad. Gaska es una de las representantes más interesantes. Era por tanto normal que PRIVATE decidiese

pronto la belleza y el erotismo, así como su potencial de locura, han hecho que X-Off le proponga el papel protagonista. Evidentemente Gaska no es una actriz, ni porno ni clásica, y era por tanto necesario reconsiderar todo el proyecto desde otro nuevo punto de vista. Es decir, no hacer una adaptación de una historia de las

aventuras de Gaska, sino mezclar la realidad en las tomas, decidiendo contar la manera de implicarse de Gaska en la producción de una película porno para PRIVATE. Una película que estaría formada por sexo extremo, pero también por momentos de la vida de lo más normales, momentos compartidos con las más interesantes actrices porno de la actualidad: Boroka Bolls, Regina Ice, Lucy Belle, Black Angelica, etc. Una especie de documental, diario, porque a fin de cuentas, ¿qué es un blog, sino un espejo de sucesos reales? Por ello también la película tenía que ser un diario en video de esos locos días de producción de MySexSpace. Ha sido difícil mantener a raya a esas chicas desbocadas ya que X-Off había decidido que en esta película no existían las palabras "acción" y "corten", es decir, como en un reality, las cámaras se han mantenido siempre encendidas, y ha pasado realmente de todo. Más que nunca podemos decir que ¡la realidad supera a la ficción!

Il mio nome è Gaska Dalve, vuol dire "mezzo inverno", ovvero gennaio febbraio. Gaska è una ragazza che come tante altre ha deciso di raccontare la propria vita sessuale in rete, più esattamente in un blog. Nel corso del 2007 questo blog ha avuto un incredibile e sorprendente successo. Gaska descrive minuziosamente i suoi incontri, ma non solo; parla della sessualità in generale, come una sorta di auto "voyeur", analizza profondamente le dinamiche della sessualità giovanile attuale. Questo lavoro, non è passato inosservato e ben presto PRIVATE se ne interessato. Infatti il concetto di sessualità e desiderio è molto evoluto in questi ultimi anni, e sicuramente si può affermare che una nuova generazione di ragazze, attraverso internet sta rivoluzionando il concetto di erotismo. Sono spesso ragazze molto giovani, ma a cui la rete offre una sorta di specchio, in cui guardare e far vedere la propria nudità sessualità. Gaska ne è una dei rappresentanti più interessanti. Era dunque normale che PRIVATE decidesse di coinvolgerla in una produzione. Subito si è deciso di farla collaborare con x-off, un nuovo direttore di PRIVATE, che ha portato un sapore di freschezza nelle produzioni porno. All'inizio si è pensato di coinvolgere Gaska per scrivere la sceneggiatura, ma molto presto la sua bellezza ed erotismo nonché il suo potenziale di follia, hanno portato X-off a proporle il ruolo di protagonista. Ovviamente Gaska non è un'attrice, ne porno ne classica, ed dunque bisognava riconsiderare tutto il progetto da un nuovo punto di vista. Ovvero, non l'adattamento in una storia delle avventure di gaska, ma bensì mischiare la realtà nelle riprese, si decise dunque di raccontare il coinvolgimento di gaska nella produzione di un film porno per la PRIVATE. Un film, che sarebbe stato costituito di sesso

estremo, ma anche da normalissimi momenti di vita, momenti condivisi con le più interessanti attrici porno del momento. Boroka bolls, Regina Ice, Lucy bell, Black Angelica, ecc.

Una sorta di documentario, diario, perché in fin dei conti che cosa è un blog, se non lo specchio di eventi reali. Così anche il film doveva essere, un diario video di quei folli giorni di produzione di Mysexspace. E stato difficile tenere tarnquille quelle ragazze scatenate, infatti X-off aveva deciso che in questo film non ci sarebbero stati la parole "azione" e "stop", ovvero come in un reality le camere sarebbero state sempre accese, ed è veramente successo di tutto. Più che mai possiamo dire che la realtà supera la finzione!

### My Diary(Men I'd Like To Fuck) (1Comment)

Yesterday was my birthday, and I really haven't had the chance to plan anything special this year. Since I've been so crazy with traveling I just wanted to lay low...so I went shopping on Mill Avenue. I got a kick ass breakfast in bed: Cherrios, Waffles, Eggs, Orange Juice, two different kinds of Capri Suns, candy bars, vitamins, ooh and cookie dough!!..lol..isnt that great? lol..Im so unhealthy..lol..

Today I have to go get my nails and hair did! And pack for my week trip to LA. pphheew!

more later!

Ayer fue mi cumpleaños, y la verdad es que este año no he podido preparar nada especial. Como no he parado ni un momento, viajando y trabajando, sólo me apetecía descans-

sar... así que me fui de compras a Mill Avenue. Me tomé un desayuno brutal en la cama: cereales, gofres, huevos, zumo de naranja, dos clases diferentes de zumos, caramelos, vitaminas.... joooh! ¡Y una pasta!..lol... ¿no es fantástico? lol... Hay que ver lo poco que me cuido...lol...Today I have to go get my nails and hair did! And pack for my week trip to LA. pppheeeew!

more later!

Gestern hatte ich Geburtstag, und ich hatte dieses Jahr wirklich keine Zeit, etwas Besonderes vorzubereiten. Weil ich kaum Zeit zum Atemholen hatte und nur gereist bin und gearbeitet habe, wollte ich nur relaxen... also ging ich einkaufen in der Mill Avenue. Ich frühstückte ausgiebig im Bett mit Müsli, Waffeln, Eiern, Orangensaft, zwei verschiedenen Obstsäften, Bonbons, Vitaminen.... oh, und einem Stück Kuchen!..lol... Ist das nicht toll? lol... Man muss sich mal ansehen, wie ungesund ich mich ernähre...lol...

Heute werde ich zum Friseur gehen und meine Fingernägel machen. Und die Koffer packen, um eine Woche in L.A. zu verbringen! Huuuuui!

Später mehr!

Hier, c'était mon anniversaire, mais je n'ai pas eu la chance d'organiser un truc spécial cette année. Surtout depuis ce rythme de folie avec tous ces voyages, j'ai juste envie de me reposer maintenant... Je suis quand même allée faire du shopping sur Mill Avenue. Je me suis aussi permis un petit déjeuné au lit : Céréales, gaufres, des oeufs, jus d'orange, deux jus de fruits différents, des bonbons, vitamines.... Oh et des petits biscuits ! Lol... C'est pas joli ? Lol... Pas très sain tout ça ! Lol...

Aujourd'hui, j'irai chez le coiffeur et je ferai une manucure ! Et je dois faire mon sac pour L.A. Pifff !

On verra plus tard !

## Regina Ice

Let's wish her the best luck and a many years long and fulfilling career after such a promising start.

Bosomy, slutty, sweet and fresh –Regina Ice is the latest European porn phenomenon! She made her scintillating debut with Private in Toni Ribas' Sex Auditions 2, and ever since she's had a loyal following, many considering her scene in that movie the horniest of the bunch. Her generous attributes and her beautiful dark eyes are enough of a rea-

son to like this babe. But one thing's for sure, this Eastern European hottie is built for fucking. She's got more curves than mountain road, and she'll ride you till your dick is raw meat!

P: Hi Regina, thanks for talking to us. We know you're busy with all the movies your shooting for Private. Before we talk about those, why don't you tell us a little bit about yourself?

R: I am 22 years old and I come from Romania. For me is a nice place, and I miss my friends from school, but is better in Hungary ...in Budapest. I have more work and money. I like.

P: What did you do before porno?

R: I studied to become a physical therapist. I my country

there are very sportive people and I like to work in the ambient. I also study for massage. My jobs, the typical. Clothing store and short time in a reception. But ... one day I hope to have for myself my own health spa. After porno maybe.

P: How did you get started in porno?

R: I had a Romanian friend who was working in Budapest as a dancer and she tell me about the work here. Seems is very popular centre for work, so I come here with intention of dancing and saving money. I think the typical for many girls!

I met a photographer and with him I make my first photosets. Only solo, with make masturbation and lesbi things. But I have many offer to make boy/girl scenes. The truth is that when I make the lesbi, or the solo, I already have the penetration with dildo. To make the pass to boy girl was not so difficult. I already have sex everyday. So why not make money? This is when I make my first movies with Andrew Youngman and David Perry.

P: Tell us about your debut with Private in Sex Auditions 2.

R: Oh it was very funny with Toni. He's a great guy, a little bit crazy, but a great guy. They make a contact with me for this casting with Toni, and when I hear the name Private I say yes right away.

I did not know Toni before I meet him, but was not a problem. He is very easy to get along with. I meet him in the vestibule of the building and when we take the lift I already know I am going to fuck him ...

P: Oh come on. That's just for the movie ...

R: No, I like his latin type. It's not a problem for me. Nothing was planned in the movie and was acting natural!

P: You can see that in the sex. It is so hot! You went on to make Ibiza Sex Party 2 and I Love Silvia Saint. Tell us about those.

R: Ibiza Sex was fantastic! Again I can work with Toni and I make a scene with two very beautiful girls, Lucky and Vanessa. Also David Perry as actor. He is very good. I have a good feeling because Toni and everybody, they really know what they are doing. I also have the chance to travel to Ibiza! For me it is fantastic, the sex and the travel and the people!

I Love Silvia Saint was okay. We make it in Budapest and I play the part of a nurse. For me was sexy because I like this role. It was a fun movie. All I can say, nothing special.

P: What are you working on now?

R: I just finish making Mafia Girlz with the director X-Off in Spain. It is really great this experience, and strange. We have to walk three hours to an old castle where we shoot the whole thing in one week or so.

P: Who did you perform with?

R: The guys were really great in this one. I think some of the best ones I work with. Oscar Galenti and Mike Angelo. They have really big cocks and they really fuck me good. For me, I am really happy with my performance in the scene I make with them and Lucy Belle. She is also Romanian, so it was nice to feel I have compatriots with me! I really, really lose my

mind in this scene! I think she too!

P: I can't wait to see it! It sounds fantastic. Talking about men, what attracts to them?

R: Charm. I like men with charm and who can dress nice. Also good teeth. I cannot stand a man with bad teeth and bad respiration.

P: Is size important?

R: You mean the dick? Of course, it helps! But doesn't mean the man is a good lover. Perhaps for porno looks good, but in my personal life I do not care as long as it is not microscopic. Must be more than ten centimetres.

P: You have an amazing body and some of the juiciest tits I have ever seen. Mother nature's gift, or store bought?

R: You mean I buy my tits? They come from my family. We all have big tits!

P: Ha! Your family reunions must be amazing!

R: Yes, they are!

P: How do you keep in shape?

R: When I can, I go to the gym, but I do not have so much time. No, with the sex I have enough. And I eat nearly vegetarian to be in good health and watch my waist area.

P: What about your future projects?

R: I plan to go on with my job, of course. I have many offers and I
